Project/Department Summary

BHT Sussex's Addiction Services provide a comprehensive programme of residential support for men and women who seek abstinence and recovery from their addiction to drugs and alcohol. The service is based on the 12 Step fellowship programme and aims to help people rebuild their lives following addiction, addressing any issues which may prevent the enjoyment of a positive, drug and alcohol-free life. It provides the following services:

Detox Support Project - supports clients to achieve abstinence through a clinically supervised detox programme and individual and group therapeutic support.

Recovery Project - is for men and women who have achieved abstinence from drugs and alcohol and provides individual and group therapeutic support to sustain abstinence and prepare for more independent living.

Move On Project - upon completion of the secondary programme at the Recovery Project, residents can move on to BHT Sussex's abstinence-based Move on Project accommodation to further prepare for independent living.
