

Floating Support Officer

Co-located into Rother District Council

East Sussex Floating Support Service

Job Description & Person Specification

Key responsibilities

- Collaborating with clients to identify housing related support needs and ensuring clients are fully assessed within agreed timescales to achieve service targets.
- Complete comprehensive risk assessments and support plans, reviewing and updating as appropriate.
- Work with services and professionals within Housing, Health and Social Care, Probation Services, and other community programmes, referring as appropriate to other specialist services.
- Deliver support using a range of contact methods and respond to urgent support and higher risk clients/situations as appropriate.
- Forge partnerships and deliver empowering, client-centred support which encourages clients to maintain engagement with services.
- Support clients to explore all housing options, including the private sector, and provide practical support with managing a tenancy, access to work, volunteering, and educational opportunities.
- Attend training, development, and supervision meetings as required.
- Deliver small groupwork/workshop sessions using resources available by Groupwork Facilitators.
- Carry out all duties with due regard to Health and Safety and Safeguarding responsibilities, reporting any concerns in line with BHT Sussex policies and procedures.

Administration and Monitoring

- To make good and proper use of BHT Sussex's IT systems, to efficiently manage cases and record client and service outcomes on In-Form in line with internal procedures and GDPR and Data Protection Policy.
- To use the Service's manual and computerised systems consistently and to a high standard.
To contribute to reports as required.

Other Duties

- To participate fully and effectively within the team, contributing to a culture of continuous performance development and improvement.
- To actively uphold and promote BHT Sussex Equality and Diversity Policy in all respects by delivering and encouraging the highest standards of behaviour and practice.

Responsible To

- ESFSS Team Leaders and ESFSS Management
